ed with his office of doorkeeper, feast."

"Does your asked Betty.
"Not yet. ed with his office of doorkeeper, end it didn't take long after all to marshall in the poor bits of household comfort that had gone out to draw up a chair for his father.

"Sit down, Dad," said Ted, laying down the knife and springing to draw up a chair for his father.
"You aren't fit to stand up."

"Six down, Dad," said Ted, laying down the knife and springing to get a good sleep first before we excited her. Besides, there was so much to do to get things going one by one to supply necessities.

When the door shut at last on Bill, and they heard his truck drive away, the brothers and sisters looked at one another in the garish light of a single stark electric bulb swinging from a long wire in the parlor ceiling and drew breaths of relief. Suddenly

wire in the parlor ceiling and drew breaths of relief. Suddenly Betty dropped down in a big shably faded chair, buried her face in her hands, her weary, slender young shoulders shaking with the sobs she would not allow to become audible.

Marjorie was by her side instantly, her arms about her.

"There, dear! Don't cry. Poor dear! You're so tired, aren't you? But listen! We're going to have a nice supper now and a good time getting things to rights. Come, cheer up!"

Betty raised tear-stained eyes and began to laugh softly, hysterically.

"Tim—only crying—because it's adopted? Do you mean she has adopted? Do you mean s

evelation had done to her father. up, and here we are!" "She hasn't gone. She's right nere Betty's tone was almost hope-in the house. Here she comes less as she finished. Then after
